The Great White North

• Refers to the winters, but not game-of-throne type

• October is fall season
  — @ 15 °C (60° F)
  — No snow!

• Toronto is farther south than ....
  — Minneapolis
  — Seattle
  — Portland, Oregon
It’s the little differences

• Canadian Values: peace, order and good government

• You don’t need to know French in Toronto

• A favorable exchange rate for many
